1 February 2021

Dear Parents and Guardians

Warm greetings and best wishes for 2021. Please note the information applicable to your child in a specific grade. Your child will receive all relevant information when they report to school according to the schedule.

All learners must report on the terraces. They will meet their grade head and team where they will be placed in register classes, receive their time table, subject content instructions and applicable Covid-19 protocols.

Learners will receive textbooks subject to them being issued a receipt from the bursar office.

Parents and guardians must honour their responsibility and commitment for paying school fees. Thank you for the diligent and already committed school fees paying parents/guardians.

Kind regards

WJ TAYLOR
